Subject: USS Lead - Activity Report - July 19, 2016

Dear Ms. Morgan, Mr. Harris and Mr. Keyt:

I have attached an Activity Report. The EPA intends to provide the City and the East Chicago Housing Authority with an Activity Report by the close of business each working day. As I work to refine the process for transmitting the Activity Reports, I will endeavor to provide them earlier in the day and more content about future plans in addition to a recap of daily activities. If you have ideas about additional content or methods to make our communication more effective, please do not hesitate to call or send me an email.

Sincerely,

Steven P. Kaiser
